Upon payment of the purchase price of the Bonds, the approving opinion of Bond Counsel shall be furnished to the bank on behalf of the Issuer. The Issuer shall also certify no litigation has been filed questioning the validity of the Bonds or the revenues necessary to pay the same.

The Net Revenues and Limited Tax Revenue are irrevocably and irrepealably pledged in an amount sufficient for the payment of the Bonds in principal and interest as such amounts respectively become due and payable, and for the other purposes hereinafter set forth in this Bond Ordinance. Said Net Revenues shall be set aside in a separately identifiable fund or account as hereinafter provided and shall be and remain so pledged for the security and payment of the Bonds, the Outstanding Parity Bonds and any Parity Bonds in principal and interest, and for all other payments provided in this Bond Ordinance, until the Bonds shall be fully paid and discharged.

SECTION 10. Rate Covenant. The Issuer, through its Governing Authority, by proper ordinances and/or resolutions, hereby covenants to fix, establish, maintain and collect such rates, fees, rents or other charges for the services and facilities of the System, and all parts thereof, and to revise the same from time to time whenever necessary, as will always provide revenues in each year sufficient to pay the reasonable and necessary expenses of operating and maintaining the System in each year, the principal and interest falling due on the Bonds in each year, all reserves or sinking funds or other payments required for such year by this Bond Ordinance, and all obligations or indebtedness payable out of the Net Revenues during such year, and Net Revenues in each year, at least equal to 120% of the largest amount of principal and interest falling due on the Bonds and any Parity Bonds in any future year. The Issuer hereby further covenants that all of said income and revenues earned or derived from the operation of the System shall be deposited daily as the same may be collected in a separate and special bank account to be established and maintained with the regularly designated fiscal agent of the Issuer and designated as the "Utility Revenue Fund" (the "Revenue Fund"), and the Revenue Fund shall be maintained and administered in the following order of priority and for the following express purposes:

(a) The payment of all reasonable and necessary expenses of operating and maintaining the System.

(b) The Utility Bond Sinking Fund established and maintained pursuant to the Prior Bond Resolution (the "Bond Sinking Fund") sufficient in amount to pay promptly and fully the principal of and the interest on the Bonds, the Outstanding Bonds and any Parity Bonds as they severally become due and payable, by transferring from the Revenue Fund to the fiscal agent of the Issuer, or such other bank designated by the Issuer, monthly in advance on or before the 20th day of each month of each year, a sum equal to one-sixth (1/6) of the interest falling due on the next Interest Payment Date and one-twelfth (1/12th) of the principal falling due on the next principal payment date of the Bonds, the Outstanding Parity Bonds and any Parity Bonds, together with such additional proportionate sum as may be required to pay said principal and interest as the same become due. If Parity Bonds are hereafter issued by the Issuer in the manner provided in this Bond Ordinance, moneys in the Sinking Fund shall be equally available to pay principal and interest on such Parity

Bonds, and payments in the Sinking Fund shall be increased as provided in the ordinance authorizing the issuance of the Parity Bonds. The Issuer shall transfer from said Sinking Fund to the Owner on each Payment Date, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

(c) The Utility Bond Reserve Fund established and maintained pursuant to the Prior Bond Resolution (the "Reserve Fund"), by transferring from the Revenue Fund to the regularly designated fiscal agent bank of the Issuer (or such other bank designated by the Issuer, monthly in advance on or before the 20th day of each month, a sum at least equal to ten percent (10%) of the monthly amount to be paid into the Sinking Fund, the payments into the Reserve Fund to continue until such time as there has been accumulated therein a sum equal to the Reserve Fund Requirement. The monies in the Reserve Fund shall be retained solely for the purpose of paying the principal of and interest on the Bonds, the Outstanding Parity Bonds and any Parity Bonds as to which there would otherwise be default. In the event that Bonds are issued hereafter in the manner provided by this Bond Ordinance, the payments into the Reserve Fund shall continue, or if the said payments have ceased because of the accumulation of the maximum amount provided above, then such payments shall be resumed, until such time as there has been accumulated in the Reserve Fund an amount of money equal to the Reserve Fund Requirement.

(d) The Utility Bond Contingency and Reserve Fund established and maintained pursuant to the Prior Bond Resolution (the "Contingency Fund") to care for extensions, additions, improvements, renewals and replacements necessary to properly operate the System, by transferring from the Revenue Fund to the Contingency Fund monthly in advance on or before the 20th day of each month of each year, a sum equal to five percent (5%) of the Net Revenues for the preceding month provided that such sum is available after provision is made for the payments required under paragraphs (a), (b), and (c) above. Such payments into the Contingency Fund shall continue until there has been accumulated in such fund the sum of Fifteen Thousand Dollars (\$15,000). In addition to caring for extensions, additions, improvements, renewals and replacements necessary to properly operate the System, the money in the Contingency Fund may also be used to pay the principal of and the interest on the Bonds, the Outstanding Parity Bonds, and any Parity Bonds, for the payment of which there is not sufficient money in the Sinking Fund and the Reserve Fund but the money in the Contingency Funds shall never be used for the making of improvements and extensions to the System or for payment of principal or interest on the bonds, the Outstanding Parity Bonds or any Parity Bonds if use of said money will leave in said fund for the making of emergency repairs or replacements, less than the sum of Two Thousand Five Hundred Dollars (\$2,500.00).

Any money remaining in the Revenue Fund after making the above required payments may be used by the Issuer for the purpose of calling and/or purchasing and paying any bonds payable from the Net Revenues, or for such other lawful corporate purposes as this Governing Authority may determine, whether such purposes are or are not in relation to the System.

If at any time it shall be necessary to use moneys in the Reserve Fund or the Contingency Fund above provided for the purpose of paying principal of or interest on Bonds payable from the Sinking Fund as to which there would otherwise be default, then the moneys so used shall be replaced from the revenues first thereafter received, not hereinabove required to be used for operation and maintenance of the System or for current principal, interest and reserve requirements. If at any time there are sufficient moneys on deposit in the Reserve Fund and the Contingency Fund

to retire all outstanding bonds payable from the Sinking Fund by defeasance, by exercising the redemption option provided by such Bonds or by purchase on the open market, the Issuer may utilize such funds for such purpose.

All or any part of the moneys in the foregoing funds and accounts shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, except that moneys in the Reserve Fund must be invested in Government Securities maturing in five (5) years or less from the date of investment. All income derived from such investments shall be added to the money in said respective funds or to the Revenue Fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purpose for which the respective funds are herein created.

(e) Except as otherwise provided, nothing in this Bond Ordinance or in the Bonds shall be construed to prevent the Issuer from altering, amending or repealing from time to time as may be necessary any ordinance or resolution setting up and establishing a schedule or schedules of rates and charges for the services and facilities to be rendered by the System, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the income and revenues of the System, not alone for the payment of the principal of and the interest on the Bonds, but to give assurance and insure that the income and revenues of the System shall be sufficient at all times to meet and fulfill the other provisions stated and specified in Section 10 of this Bond Ordinance. It is understood and agreed, however, that the Issuer shall fix, establish and maintain such rates and collect such fees, rents or other charges for the services and facilities to be rendered by the System, irrespective of the user thereof, that no free services or facilities shall be furnished to any Person, public or private, or even the Issuer itself, and that no discrimination shall be made as to rates and charges for the services and facilities of the System as between users of the same type or class.

(f) The Issuer further agrees that the failure of any Person to pay for any service rendered by the System within fifteen (15) days of the date on which it is billed shall cause such charge to become delinquent; that if such delinquent charge, with penalties accrued thereon, is not paid within ten (10) days from the date on which it became delinquent, the Issuer will shut off System services to the affected premises; and that the Issuer, this Governing Authority and its officials, agents and employees will do all things necessary and will take advantage of all remedies afforded by law to collect and enforce the prompt payment of all charges made for services rendered by the System. All delinquent charges for such services shall on the date of delinquency have added thereto a penalty in such amount determined by the Governing Authority and the amount so due, including the penalty charges, shall, after ten (10) days from the date of delinquency, bear interest at the rate of at least six per cent (6%) per annum. If service shall be discontinued as above provided, the customer shall, in addition to paying the delinquent charges and penalties, if any, pay as a condition precedent to the resumption of service, a reasonable re-connection charge.

(g) It is further understood and agreed that the schedule of rates, fees, rents and other charges being charged as of the date of this Bond Ordinance for services and facilities rendered by the System shall remain in effect and neither said schedule nor any subsequent schedule shall be reduced at any time unless all payments required for all funds by the Bond Ordinance, including any deficiencies for prior payments, have been fully made, and unless such schedule as so reduced will in each year thereafter produce sufficient revenues to meet and fulfill the other provisions stated and specified in this Section and Section 9 of this Bond Ordinance.

SECTION 11. Default. The Issuer covenants and agrees that in the event it should fail to derive sufficient income from the operation of its System to make the required monthly payments into the funds established by Section 10 hereby, it will retain a Consulting Engineer on a continuous basis until all defaults are cured, for the purpose of providing for the Issuer continuous engineering counsel in the operation of its System. Such Consulting Engineer shall be retained under contract at such reasonable compensation as may be fixed by the Governing Authority, and the payment of such compensation shall be considered to be one of the costs of maintaining and operating the System. Any Consulting Engineer appointed under the provisions of this Section may be replaced at any time by another Consulting Engineer appointed or retained by the Governing Authority, with the consent and approval of the Owners of the Bonds.

The Consulting Engineer shall prepare within ninety (90) days after the close of each fiscal year a comprehensive operating report, which report shall contain therein or be accompanied by a certified copy of an audit of the preceding year's business prepared by the Issuer's certified public accountants, and in addition thereto, shall report upon the operation of the System during the preceding year, the maintenance of the properties, the efficiency of the management of the property, the proper and adequate keeping of books of record and accounts, the adherence to budget and budgetary control provisions, the adherence to the provisions of the Bond Ordinance and all other things having a bearing upon the efficient and profitable operation of the System, and shall include whatever criticism of any phase of the operation of the System the Consulting Engineer may deem proper, and such recommendations as to changes in operations and the making of repairs, renewals, replacements, extensions, betterments and improvements as the Consulting Engineer may deem proper. Copies of such report shall be placed on file with the Clerk of the Issuer and sent to the Government and shall be open to inspection by the Owner of any of the Bonds.

It shall be the duty of the Consulting Engineer to pass on the economic soundness or feasibility of any extensions, betterments, improvements, expenditures or purchases of equipment and materials or supplies, which will involve the expenditure of more than Five Thousand Dollars (\$5,000), whether in one or more than one order, and whether authorized by a budget or not, from funds on deposit in the Contingency Fund, and the Consulting Engineer shall devise and prescribe a form or forms wherein shall be set forth his or its approval in certificate form, copies of which shall be filed with the Clerk of the Issuer and the depository for the Contingency Fund.

Sixty (60) days before the close of each Fiscal Year, the Consulting Engineer shall submit to the Governing Authority a suggested budget for the ensuing year's operation of the System. A copy of said suggested budget and recommendations shall also be furnished by said Consulting Engineer directly to the Owners of the Bonds. Such recommendations as to rates and charges, consistent with the requirements relating thereto contained herein, shall be followed by the Issuer insofar as practicable and all other recommendations shall be given careful consideration by the Issuer and shall be substantially followed, except for good and reasonable cause. No expenditure for the operation, maintenance and repair of the System in excess of the amounts stated in said budget shall be made in any year, except upon the certificate of the Consulting Engineer that such expenditures are necessary and essential to the continued operation of the System.

It shall be the duty of the Consulting Engineer to prescribe a system of budgetary control along with forms for exercising such control which shall be utilized by the manager or

superintendent of the System and his staff, and the manager or superintendent shall cause to be prepared monthly reports not later than the twentieth day of each month, for the preceding month's business and operation of the System, which reports shall be submitted to the Consulting Engineer, who shall prepare an analysis of each such report, which analysis shall be filed monthly as expeditiously as possible with the Clerk of the Issuer, the manager or superintendent and with the Owners of the Bonds.

The provisions of this Section shall apply only during any period when the Issuer may be in default in making required payments into the funds required by Section 10 of this Bond Ordinance.

In the event this Governing Authority shall fail to select and retain a Consulting Engineer in accordance with the first paragraph of this Section within thirty (30) days after the occurrence of the conditions prescribed thereby, then upon the petition of the Owners of twenty-five percent (25%) of the aggregate principal amount of the Bonds then outstanding, the Governing Authority shall select and retain such Consulting Engineer as is named in said petition.

SECTION 12. Parity Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Net Revenues derived from the System having priority over or parity with the Bonds and the Outstanding Parity Bonds except that additional bonds may hereafter be issued on a parity lien basis with the Bonds (the "Parity Bonds") under the following conditions:

(1) The Bonds, the Outstanding Parity Bonds and any Parity Bonds or any part thereof, including the interest thereon, may be refunded, and the Parity Bonds so issued shall enjoy complete equality of lien with the portion of the Outstanding Parity Bonds, the Bonds and any Parity Bonds which are not refunded, if any, and the bonds not refunded shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the bonds refunded; provided, however, that if only a portion of the bonds outstanding is so refunded and the refunded bonds require total principal and interest payments during any year in excess of the principal and interest which would have been required in such year to pay the bonds refunded thereby, then such bonds may not be refunded without the consent of the Owner of the unrefunded portion of the Bonds issued hereunder (provided such consent shall not be required if such refunded bonds meet the requirements set forth in clause (2) of this Section).

(2) Parity Bonds may be issued on and enjoy a full and complete parity with the Bonds and the Outstanding Parity Bonds, if all of the following conditions are met:

(a) The average annual Net Revenues for the two (2) completed Fiscal Years immediately preceding the issuance of the Parity Bonds must have been not less than 1.20 times the highest combined principal and interest requirements for any succeeding Bond Year on all bonds then outstanding, including any Parity Bonds theretofore issued and then outstanding and any other bonds or obligations whatsoever then outstanding which are payable from the income and revenues of the System (but not including bonds which have been refunded or provisions otherwise made for their full and complete payment and redemption), and the Parity Bonds so proposed to be issued. In making the calculation required by this subparagraph 2(a), if the Issuer has adopted higher rates for services of the System on or before the date of issuance of the Parity Bonds, the calculation of average annual Net Revenues for the previous two completed

Fiscal Years may be made assuming such rates had been in effect during such period.

- (b) The payments required to be made into the various funds provided in Section 10 hereof must be current.
- (c) The existence of the facts required by paragraphs (a) and (b) above must be determined and certified to by an independent certified public accountant or the Legislative Auditor.
- (d) The Parity Bonds must be payable as to principal on March 1st of each year in which the principal falls due and payable as to interest on March 1st and September 1st of each year.
- (e) The proceeds of the Parity Bonds must be used solely for the making of improvements, extensions, renewals, replacements or repairs to the System, or to refund the Bonds or Outstanding Parity Bonds.

SECTION 13. Records and Accounts; Audit. As long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books and accounts of the System separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions concerning the System. Not later than three (3) months after the close of each Fiscal Year, the Issuer shall cause an audit of its books and accounts to be made by the Legislative Auditor or an independent firm of certified public accountants showing the receipts and disbursements made by the Issuer during the previous Fiscal Year. Such audit shall be available for inspection by the Owner of any of the Bonds, and a copy of such audit shall be furnished to the Purchaser upon request

SECTION 14. Rights of Owners. The Owners shall be entitled to exercise all rights for which provision is made in the laws of the State of Louisiana, particularly Sub-Part C, Part I, Chapter 10, Title 33 of the Louisiana Revised Statutes of 1950. Said Owners or any trustee acting for such Owners in the manner hereinafter provided, may, either at law or in equity, by suit, action, mandamus or other proceeding in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State of Louisiana, or granted in this ordinance, and may enforce and compel the performance of all duties required by this Bond Ordinance or by any applicable statutes to be performed by the Issuer or by any agency, board or officer thereof, including the fixing, charging and collecting of rentals, fees or other charges for use of the System, and in general to take any action necessary to protect the rights of said Owners.

In the event that default shall be made in the payment of the interest on or principal of any of the Bonds issued pursuant to this Bond Ordinance as the same shall become due, or in the making of the payments into any fund established by Section 10 of this Bond Ordinance or in the event that the Issuer or any agency, board, officer, agent or employee thereof shall fail or refuse to comply with the provisions of this Bond Ordinance, or shall default in any covenant for a period of thirty (30) days after written notice thereof, any owner of Bonds or any trustee appointed to represent owners as hereinafter provided, shall be entitled as of right to the appointment of a receiver of the System, as defined herein, in an appropriate judicial proceeding in a court of competent jurisdiction.

The receiver so appointed shall forthwith enter into and take possession of the System and shall hold, operate and maintain, manage and control the System, and in the name of the Issuer shall exercise all rights and powers of the Issuer with respect to the System. Such receiver shall collect and receive all fees, rentals, and other revenues, maintain and operate the System in the manner provided in this ordinance, and comply under the jurisdiction of the court appointing such receiver with all of the provisions of this Bond Ordinance.

Whenever all that is due upon the Bonds and interest thereon, and under any covenants of this Bond Ordinance for reserve, sinking or other funds, and upon any other obligations and interest thereon, having a charge, lien or encumbrance upon the fees, rentals or other revenues of the System, shall have been paid and made good, and all defaults under the provisions of this Ordinance shall have been cured and made good, possession of the System shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, any owner of the Bonds issued pursuant to this ordinance, or any trustee appointed for Owners as hereinafter provided, shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver shall in the performance of the powers hereinabove conferred upon him be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders of such court and may be removed thereby and a successor appointed in the discretion of such court. Nothing herein contained shall limit the jurisdiction of such court to enter such other and further orders as such court may deem necessary for the exercise by the receiver of any function not specifically set forth herein.

Any receiver appointed as provided herein shall hold and operate the System in the name of the Issuer and for the joint protection and benefit of the Issuer and the Owners issued pursuant to this Bond Ordinance. No material modification or amendment of this Bond Ordinance, or of any ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity or redemption provisions of the Bonds, or a reduction in the rate of interest thereon, or in the amount of the principal obligation thereof, or affecting the obligation of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the revenues appropriated, pledged and dedicated to the payment thereof by this Bond Ordinance or reduce the percentage of the Owners required to consent to any material modification or amendment of this Bond Ordinance, without the consent of the Owners of the Bonds.

SECTION 18. Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Bond Ordinance or of the Bonds is deemed by a court of competent jurisdiction to be illegal or invalid, this Bond Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Bond Ordinance which validate or make legal any provision of this Bond Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Bond Ordinance and to the Bonds.

SECTION 19. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Bonds and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

“It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana.”

SECTION 20. Effect of Registration. The Issuer and any agent may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, the Issuer shall not be affected by notice to the contrary.

SECTION 21. Notices to Owners. Wherever this Bond Ordinance provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) in writing and mailed, first class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register in any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds,

nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Bond Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner or Owners entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Issuer, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 22. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Issuer, shall be promptly canceled by it and if surrendered to the Issuer, shall be delivered to the Issuer and, if not already canceled, shall be promptly canceled by the Issuer. The Issuer may at any time cancel any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be disposed of as directed in writing by the Issuer.

SECTION 23. Mutilated, Destroyed Lost or Stolen Bonds. If (1) any mutilated Bond is surrendered to the Issuer or the Issuer received evidence to its satisfaction of the destruction, loss or theft of any Bond, and (2) there is delivered to the Issuer such security or indemnity as may be required by it to save it harmless, then, in the absence of notice to the Issuer that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute, register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor, interest rate and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Certificate. Upon the issuance of any new Certificate under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Bond shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Bond Ordinance equally and ratably with all other outstanding Bonds. Any additional procedures authorized in this Bond Ordinance shall also be available with respect to mutilated, destroyed, lost or stolen Bonds.

SECTION 24. Discharge of Ordinance; Defeasance. If the Issuer shall pay or cause to be paid, or there shall pay or cause to be paid, or there shall otherwise be paid to the Owner, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Bond Ordinance, the pledge of Net Revenues under this Bond Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owner shall thereupon cease, terminate, and become void, be discharged and satisfied.

Bonds or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section if they are defeased in the manner provided by Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended.

SECTION 25. Disclosure Under SEC Rule 15c2-12. It is recognized that the Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c2-12(b) of the Securities and Exchange Commission (17-CFR Section 240.15c2-12(b)), because the principal amount of the Bonds is less than \$1,000,000.

SECTION 26. Arbitrage. The Issuer covenants and agrees that to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Code of in order to establish, maintain and preserve the exclusion from “gross income” of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be “arbitrage bonds” or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds, or (ii) the failure to pay any required rebate or arbitrage earnings to the United States of America, or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be “private activity bonds”.

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section 26.

SECTION 27. Qualified Tax Exempt Obligations. The Bonds are designated as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code, in making this designation, the Issuer finds and determines that:

- (a) the Bonds are not “private activity bonds” within the meaning of the Code; and

SECTION 28. Publication; Recordation. A copy of this Ordinance shall be published immediately after its adoption in one issue of the official journal of the Village.

SECTION 29. Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning of the provisions hereof.

SECTION 30. Effective Date. This Bond Ordinance shall become effective immediately.

SECTION 31. State Bond Commission Approval. Application has been made to the SBC for approval of the sale, issuance and delivery of the Bonds. No sale shall occur until final SBC approval has been obtained and all contingencies are removed.
