Sec. 4-5. Hearing and notice.

(a) Before any alcoholic beverage permit is suspended or revoked, or when an application for an alcoholic beverage permit has been denied and the applicant has appealed to the village in the manner provided for herein, the permit holder or the applicant shall be entitled to a hearing. No such permit shall be denied, suspended, or revoked unless such a hearing has been held, and a majority of the Board of Aldermen of the village thereafter votes for such denial, suspension, or revocation. The decision of the Mayor of the village in denying a permit shall remain in effect unless and until the Board of Aldermen of the village votes after such hearing to reverse the decision of the Mayor.

(b) A notice shall be served upon the applicant or holder of the permit stating the time and place of the hearing to be held by the village, which shall be not less than ten (10) calendar days from the date such notice is received. The notice shall enumerate the causes for withholding, suspending or revoking the permit and shall be sent by certified mail, return receipt requested, to the applicant or holder of the permit at the address of his place of business, as given in his application for the permit, or it may be served on him in person by an officer or employee of the village. In the case of revocation or suspension of a permit, the notice shall order the holder of the permit to appear and show cause why the permit should not be suspended or revoked. All notices sent by certified mail to the applicant or permittee directed to him at the address of his place of business as given in his application shall be conclusively presumed to have been received by the applicant or permittee.

Sec. 4-6. Cause for withholding, suspending or revoking permits.

No permit shall be withheld, suspended, or revoked except for causes specified in this ordinance or in Title 26 of the Louisiana Revised Statutes. However, if a person holds more than one permit and any one of them is suspended or revoked, the village may suspend or revoke all of his permits.

Sec. 4-7. Convictions by court not essential to withholding, suspending or revoking permits.

Conviction by a court of violation of the provisions of this ordinance is not a condition precedent to the withholding, suspension, or revocation of a permit under this ordinance for a violation of any of the provisions of this ordinance. However, when there has been a previous criminal prosecution for the same or similar act upon which the refusal, suspension or revocation of a permit is being considered, evidence of a conviction or an acquittal in a court of competent jurisdiction is admissible in a proceeding before the village.

Sec. 4-8. Revocation or suspension not exclusive; other penalties.

(a) Notwithstanding any other provisions of this ordinance to the contrary, the village may in lieu of or in addition to revocation or suspension of a permit issued under the authority of this ordinance, impose the following schedule of costs or expenses of investigation and/or prosecution to be paid into the village treasury for:

- (1) A first offense, not less than \$50.00 but not more than \$500.00;
- (2) A second offense, which occurs within three (3) years of the first offense, not less than \$250.00 but not more than \$1,000.00; and
- (3) A third offense, which occurs within three (3) years of the first offense, not less than \$500.00 but not more than \$2,500.00.

(b) The revocation or suspension of a permit is in addition to and not in lieu of or limitation of any other penalty imposed by law.

(c) For purposes of this section, the term "offense" shall mean each violation of this ordinance which the village finds has occurred. More than one offense may be considered by the village in a single hearing.

Sec. 4-9. Procedure at hearings; contempt.

(a) The village may administer oaths, issue subpoenas for the attendance of witnesses and the production of books, papers, accounts, and documents, and examine witnesses and receive testimony at the hearing for suspension or revocation of permit under this ordinance.

(b) If any person fails to comply with a notice issued by the village, or if a witness refuses to testify in any matter regarding which he may be lawfully interrogated, such failure or refusal shall constitute contempt of the village and upon conviction in any court of competent jurisdiction shall be punishable pursuant to Section 5-5. Notwithstanding any other provision of this ordinance, such a conviction of a permit holder shall be cause for suspension or revocation of his permit.

Sec. 4-10. Procedure when permittee or applicant fails to appear at hearing; continuances.

If a permittee or applicant who has been notified of a hearing for suspension or revocation of permit under this ordinance does not appear, the hearing may proceed without him and the village may consider and dispose of the case, but in all cases the village, upon application or motion, may grant continuances from time to time. If the continuance is granted to a fixed future date by written consent or in the presence of the permittee, applicant or his counsel, no further notice of the hearing date need be given. In all other cases the same notice of hearing as in original hearings shall be given.

Sec. 4-11. Basis for determination by village to suspend or to revoke permit.

In determining cases involving the suspension or revocation of permits, if the village finds that the violation is of a minor nature, or that there are extenuating circumstances, or that there are reasonable grounds to expect that the permittee will not again violate any of the provisions of this ordinance, the village may suspend the permit for such time as it thinks proper. If the permittee has previously been fined or had a permit suspended or revoked, whether by state or local authorities, or if the violation is flagrant or serious, the village may revoke the permit. The village shall thereafter immediately notify the state authorities and the sheriff of its action. The village shall retain jurisdiction to reopen cases at any time upon petition or motion, and for good cause shown

may modify, revise or reverse its former findings and decisions and all such reopened cases shall be heard and determined under the same rules of procedure as original cases.

Sec. 4-12. Recovery of cost of hearings.

In hearings of the village which finally result in withholding the issuance of a permit or in suspending or revoking a permit, the village shall assess the costs of the hearing to the applicant or permittee. The costs are recoverable by the village in any appellate proceeding instituted by the applicant or permittee or in any other appropriate judicial proceeding.

Sec. 4-13. Decisions to withhold, suspend or revoke permits final unless appealed and reversed.

Decisions of the village in withholding, suspending, or revoking permits are final and binding on all parties unless appealed in the manner provided in Section 4-14 of this ordinance and finally reversed by the courts.

Sec. 4-14. Appeal of decision to withhold, suspend or revoke permits.

The applicant or holder of an alcoholic beverage permit who is aggrieved by a decision of the village to withhold, suspend, or revoke his permit may, within ten (10) days of the notification of the decision, take a devolutive appeal to the district court having jurisdiction over his place of business, and on such appeal, the trial shall be de novo. Within ten (10) calendar days from the signing of the judgment by the district court, the village or the applicant or holder of the permit, as the case may be, may appeal from the judgment of the district court to the court of appeal as in ordinary civil cases.
